Bobbi White gave the board updates on Old Business.

Shipyard Property-Grant applications were sent to:

PARTF	\$300,000	50/50 Match
CAMA	\$180,000	\$20,000 Match
Clean Water Management Trust Fund	\$800,000	

Fun Junktion (Trillium) Playground-Still working on installing the play equipment. Dr. Kleinschuster asked what can be done about the geese. Bobbi responded have the USDA permanently remove them. Johnnie Walton stated signs are needed for no dogs, some people don't like dogs. Eddie Spencer added that cameras were needed for playground equipment for which Bobbi White agreed.

Bobbi White then addressed new business as follows.

Youth Survey-Recreation survey for students to be distributed during open house at the middle and high schools. Dr. Sterritt suggested adding hiking to the survey.

Buck Jolly stated the Miles Clark Fountain on Main Street should be moved to Waterfront Park. Bobbi responded that the fountain needs to be replaced; hard to find parts to repair it.

Eddie Spencer asked about golf passes for the advisory board members.

Buck Jolly suggested the trees be cut back/pruned around the confederate statue at the Courthouse so the statue can be seen. Bobbi responded that he would need to speak with the County Manager or a County Commissioner since Parks and Recreation does not maintain that area.

There were no further comments from the board.

Eddie Spencer moved for the meeting to be adjourned. Debbie Malenfant seconded. Meeting adjourned.

Next meeting will be held Thursday, September 8, 2016 at 5:30pm.

Respectfully Submitted,
Bobbi White
