

We are studying the condition and needs of our local transportation assets, and we could use your input!

Regional Vulnerability and Risk Assessment Public Engagement Survey

[https://survey123.arcgis.com/share/
df412b31e29342538f52acefc32d4a84?width=1000](https://survey123.arcgis.com/share/df412b31e29342538f52acefc32d4a84?width=1000)

Please fill out the survey to tell us about the most important transportation assets in our community; how vulnerable they are to natural disasters; and map problem areas, such as where flooding occurs. Thank you for your help!
