Re: Consideration – Authorization to Submit TDA Application for River City Skippers

BACKGROUND/ANALYSIS:

The River City Skippers are the newest team in the Old North State League, and will be playing their inaugural season this summer in Knobbs Creek Park in Elizabeth City. During the January 23, 2023 Work Session, the Council discussed submitting an application for TDA funding in the amount of \$2,500 to support the Skippers, noting that if the general consensus was favorable, it would have to come back for a formal vote during the February 13, 2023 meeting before being forwarded to the Tourism Development Authority for consideration.

STAFF RECOMMENDATION:

By motion, authorize City staff to submit an application to the Tourism Development Authority in the amount of \$2,500 to support the River City Skippers.
